LPRFPD Permit Revised June 2021

BURN PERMIT

These permits are free of charge and must be filled out and kept on site during debris burns and campfires. Please read completely to ensure you are following the required regulations. Failure to do so may result in a fine. Remember, you are legally and fiscally responsible for any fire that escapes from your burn.

Open Burning is generally allowed from mid-October to mid-May, dependent on fire conditions. No open debris pile burning is allowed during fire season.

Campfires in approved rings that comply with all rules within this permit are allowed year-round unless conditions are unsafe
